

DUA FOR PROTECTION

To be read thrice after Fajr and Maghrib

بِسْمِ اللَّهِ مَا شَاءَ اللَّهُ لَا قُوَّةَ إِلَّا بِاللَّهِ حَسْبِيَ اللَّهُ تَوَكَّلْتُ
عَلَى اللَّهِ مَا شَاءَ اللَّهُ لَا يَأْتِيَ بِأَحْسَنٍ إِلَّا اللَّهُ مَا شَاءَ اللَّهُ لَا
يَصْرِفُ السُّوءَ إِلَّا اللَّهُ حَسْبِيَ اللَّهُ وَكَفِي سَمْعَ اللَّهُ لِمَنْ دَعَا
لَيْسَ وَرَاءَ اللَّهِ مُنْتَهَى وَلَا دُونَ اللَّهِ مَلْجَأٌ كَتَبَ اللَّهُ لَأَغْلِبَنَّ
أَنَا وَرَسُلِي إِنَّ اللَّهَ قَوِيٌّ عَزِيزٌ
تَحَصَّنْتُ بِاللَّهِ الْعَظِيمِ وَاسْتَغَثْتُ بِالْحَمِيمِ لَا يَمُوتُ
اللَّهُمَّ احْرُسْنَا بِعَيْنِكَ الَّتِي لَا تَنَامُ
وَأَكْنُفْنَا بِرُكْنِكَ الَّذِي لَا يُرَأْمُ
اللَّهُمَّ ارْحَمْنَا بِقُدْرَتِكَ عَلَيْنَا فَلَا نَهْلِكُ وَأَنْتَ ثِقَتُنَا وَرَجَاءُنَا
اللَّهُمَّ اعْطِفْ عَلَيْنَا قُلُوبَ عِبَادِكَ وَإِمَائِكَ بِرَأْفَةٍ وَرَحْمَةٍ إِنَّكَ
أَنْتَ أَرْحَمُ الرَّاحِمِينَ

TRANSLATION OF THE DUA

I begin in The Name of Allah. Only what Allah wishes can happen. There is no Power but with Allah. Allah is enough for me. I have placed my trust in Allah. Whatever Allah wishes will happen. None can bring good but Allah. None can ward off evil but Allah. Allah is enough for me, and He always suffices. Allah hears the one who calls. There is no end beyond Allah, and there is no place of refuge besides Allah. Allah has written: "Surely I and My Messengers shall reign supreme. Verily Allah is Most Powerful, Most Honourable".

I took protection in Allah the Most Gracious. And I sought relief from the Living One who never dies.

O Allah! Guard us with Your Eyes that never sleep, and enclose us with Your Protection that none can aspire to;

O Allah! Have mercy upon us through the Power that You have over us, so that we will not perish, for You are our Reliance and Hope.

O Allah! Turn the hearts of your male and female servants towards us with kindness and mercy. Undoubtedly, you are the Most Merciful of all those who show Mercy.

Rasoolullah (sallallahu alayhi wasallam) instructed us to recite the following dua thrice after Fajr and Maghrib for protection against all harm

بِسْمِ اللَّهِ الَّذِي لَا يَضُرُّ مَعَ اسْمِهِ شَيْءٌ فِي الْأَرْضِ وَلَا فِي السَّمَاوَاتِ
وَهُوَ السَّمِيعُ الْعَلِيمُ

In The Name of Allah, through which Name nothing in the heavens and earth can cause harm. He is All-Seeing, All Knowing
